

# PRESSURE SEAL

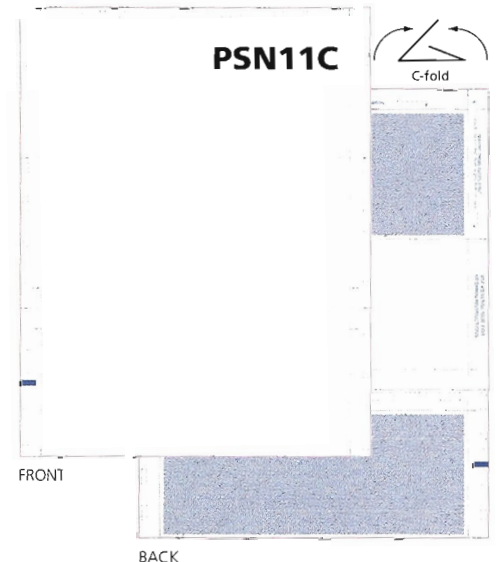

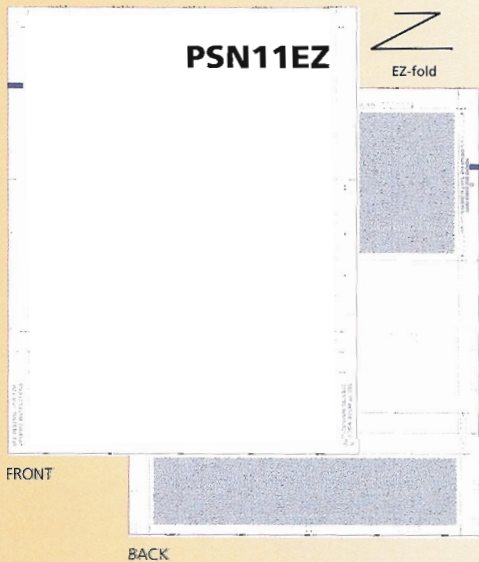

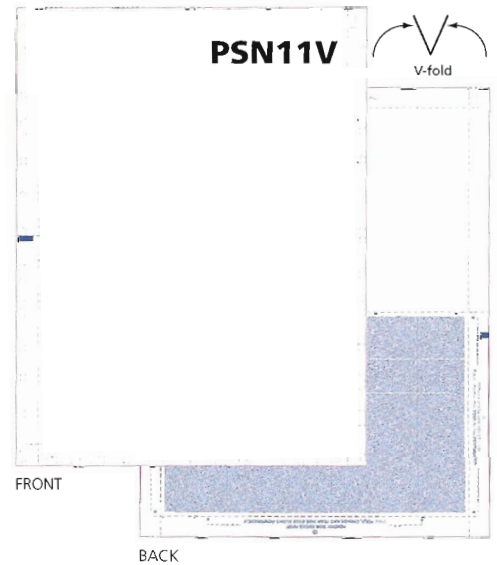

## Multi-Purpose Forms 11 Inch

These screened multi-purpose Pressure Seal forms are available as 11 inch Z-fold, V-fold, EZ-fold (eccentric Z), C-fold and 14 inch Z-fold and EZ-fold (eccentric Z). As you will note from the features listed below, these are the highest quality stock Pressure Seal forms available. We have incorporated the highest grade of papers, secure cohesive patterns, security screens and patented folds. Please contact plant for samples of the Pressure Seal products to test with your laser and sealing equipment.

### SOME OF OUR FEATURES:

- 28# Pressure Seal
- Security Screens on back
- Opening instructions
- Heat resistant inks
